

Letter from our Executive Director

TAG - You're It!

Thank you for making 2021 a remarkable year for The Art Guild (TAG). **YOU** voted us **Best Art Gallery** for the fifth year in a row. 2021 also marks the fourth year in a row that we won **Best Art School**.

The Art Guild is a 501(c)3 non-profit organization that seeks to provide residents from local and neighboring communities an avenue to broaden their creative pursuits. We are open to all people who share a common goal to advance the visual arts.

We are proud to have reached more people in 2021 than at any point in our history.

Membership surpassed all prior years, class offerings and class attendance reached record highs and participation in juried exhibitions continued to increase as well. We responded to the needs of our community by expanding our scholarships for children's programs.

YOU have embraced The Art Guild, especially during the pandemic. There is much to be thankful for in the past year of work. We are looking to scale our impact to keep up with the demand to offer more classes and workshops. Because of **YOU**, TAG is thriving. Our community and Board of Directors come together to donate time, resources and talent. Your support is essential to help drive our mission to serve the community in the future.

Thank you for supporting The Art Guild. We are looking forward to continue our mission of providing a home for the arts to you.

Artfully yours,
Lisa Grossman, Executive Director

Scholarships

TAG is proud to offer the Michael Parlapiano Scholarship to allow children of all ages and all economic means to partake in a visual arts education. We thank our generous donors for making this possible. We hope to increase our offerings to the community moving ahead in 2022 with additional sponsors.

"We are so grateful for all the opportunities that THE ART GUILD provided for our children. It truly made our summer amazing and fulfilling!"

-Scholarship recipient

Workshops and Classes

We are so excited to be hosting 20 classes this fall for adults, children and teens. Our Visiting Artist Workshop Series is back in person this fall and we are thrilled to be welcoming artists from all over the country to teach at TAG in 2022.

INSPIRE

EVENTS

Community Outreach

The Art Guild strives to bring visual art programs to groups that benefit from personalized workshops including senior citizens, cancer survivors, individuals with disabilities, veterans, scouts and more. A local Girl Scout achieved her gold award by helping distribute Art supplies to a local children's organization. We are proud to be able to provide families with art supplies to continue exploring art at home. We partnered with Schreiber High School, National Honors Art Society to create art videos so that children could remain creative at home during the pandemic. We thank all of our generous sponsors for making this possible.

CreARTive

Over 50 children and their families came to The Art Guild at the Elderfields Preserve to enjoy free art activities on a beautiful summer day. A variety of fun activities including sculpture, mandala making, creating Djembe Drums, plein air acrylic painting, tie-dying, collage, Gytaku printmaking and of course button making - were available at different stations throughout the afternoon.

THANK YOU to all of our volunteers and teachers!

The event was made possible with funds from a New York State Council of the Arts grant, administered by Huntington Arts Council.

High School Senior Award

We are honored to partner with the Kazickas Family Foundation to provide scholarships for graduating High School Seniors pursuing the arts. After a rigorous application process our three talented recipients received \$1000 each to further their art education.

A Date-to-Create

On a beautiful summer day, 100 artists, art lovers and friends came to support and celebrate The Art Guild in our backyard at Elderfields Preserve. Guests had the opportunity to participate in a variety of art experiences as paint and sip, sculpture, printmaking, plein air painting and more with live music and great food. Our Date-to-Create Fund-raiser was an overwhelming success, thanks to our incredible community. We were so thrilled that Nassau County Executive Laura Curran, attended and expressed her support of the arts in Nassau County. We look forward to offering this event again in 2022!

Gallery

The gallery hosts some of the best artists on Long Island and beyond. There are 10 exhibits annually with innovative themes. Be sure to attend our festive receptions and meet the artists! See schedule for 2022 on the back page.
