Message from the President and Executive Director

The new news is that The Art Guild renewed its five year U&O permit with Nassau County and we are trying to move forward with implementation of the Fire Safety System. At this time, our plans previously submitted to the Fire Marshall's office were not approved because the tenant side of the building must be fully alarmed as well. One step forward, two steps back... We are anxiously waiting for the final plans to be submitted and approved so that installation can begin. Once the system is hooked up to the county's central system, we will be back on track!

One other hitch...the boiler at Elderfields finally went kaput last February. Following three very cold months this winter and spring, we are now waiting for the County to install a new one, which we've been told is on order. The good news is that the A/C is working this summer.

Overall, things are looking up and we are hopeful that one day soon we will be able to resume all activities. In the meanwhile here's what's been going on.

On Saturday, May 11, The Art Guild participated in PortFest, a music and arts community festival held at Schreiber High School. We ran a button making booth where children of all ages created small magic marker masterpieces that were transformed into buttons. It was a huge success as always.

The 8th Annual Art in the Park at HarborFest was held on Sunday, June 2. This year artists had the opportunity to set up display booths or rent 6 feet of snow fencing to exhibit their artwork for the day. The art fence was a worthwhile addition. We also offered free workshops and yes...button making again.

On July 14, The Art Guild hosted its first PaintFest at Elderfields. Those who attended enthusiastically felt that another PaintFest should be scheduled for the near future.

In September The Art Guild will host nationally known artist and instructor, Doug Dawson, who will give two workshops for pastelists and oil painters at Elderfields Preserve. Plein Air Landscape Painting will be held September 19, 20, 21 and Capturing the Character: Head & Shoulders will be held on September 22. A Pastel Demo will take place on Wednesday evening, September 18 from 7 - 9 PM at Elderfields.

This fall The Art Guild's annual Members Showcase Exhibit will be held October 3-27 at the Graphic Eye Gallery in Port Washington. This exhibit will be in place of the originally scheduled Works’13 exhibit which will not be held this year. Another exhibit opportunity for members will be a small works show to be held at the Atria in Roslyn. Watch for details and registration forms to come.

Hope to see you soon!

- Shelley & Diane

Applications for the scholarships included drawings, paintings, sculptures, fashion designs, and photography.

The Art Guild is pleased to announce this year’s recipients: Ta-Shea Brown, Sewanhaka High School, Floral Park; Ashley McCaffrey, Bethpage High School; Min Jung Son, St. Mary’s High School, Manhasset; and Joanna Sugar, Oyster Bay High School. The 2012 Nassau County High School Student Juried Art Competition & Exhibition was held November 28 – December 31, 2012, at the Tilles Center for the Performing Arts at Long Island University, C.W. Post in Brookville. The artists’ reception and awards ceremony was held on Friday, December 7 in the Patron’s Lounge at the Tilles Center. Art Guild member, Piper Lyman, chaired the exhibit with award winning New York City artist and instructor, Margaret Zox Brown, serving as juror for awards.

First Prize was awarded to Amanda Mienko (Our Lady of Mercy Academy) for her graphite drawing, “Ice Cream” (photo top left, Margaret Zox Brown, Amanda and Piper Lyman). Second place was awarded to Matuesz Piekut’s colored pencil drawing entitled “Tic Tacs” (top right). ART IN THE PARK AT HARBORFEST

The 8th Annual Art in the Park was held during HarborFest on Sunday, June 2 from 10:00 AM to 5:00 PM at Sunset Park located adjacent to the Town Dock in Port Washington. The Art Guild offered two free workshops: “Fun with Clay,” and “Plein Air (Outdoor) Painting.” The workshops were well attended with over 20 lbs of clay transformed by eager students into painted fish and 50 paintings done by workshop attendees. Button making for all ages was available throughout the day. All materials were donated by The Art Guild.

In addition to the art workshops, local artists exhibited their work at this outdoor venue. This year, artists were able to rent a 10 x 10 foot space or 6 linear feet of show fencing.

A special thanks to those who helped out: Diane Bares, Kathy D’Amato-Smith, Sue Herbst, Kate Hill, Shelley Holtzman, Jane Scal and Ilene Silberstein.
