

Letter from our Executive Director

TAG – You’re It!

Thank you for making 2022 another remarkable year for The Art Guild (TAG). For the sixth year in a row, **YOU** voted us **Best Art Gallery** in Nassau County. You also voted us **Best Art School** for the fifth straight year in 2022. All of these achievements could not have happened without your support.

We are proud to have reached more people in 2022 than any time in our history. Membership continues to exceed expectations. We offered 28 classes this Fall and participation in juried exhibitions continued to increase. We expanded our community outreach by hosting art workshops for underserved populations including the Nicholas Center for Autism, Nancy Marx Cancer Wellness Center and AHRC. Thanks to generous donors, we continue to expand our needs-based class scholarship for children. Our ART LOVER’S FLING fundraiser in October was an overwhelming success, thanks to our incredible community. We were proud to honor Shelley Holtzman and Ilene Silberstein for their endless list of contributions to the arts in our community.

Because of **YOU**, TAG is thriving. Our community comes together to donate time, resources, and talent. Your support is essential to help drive our mission to serve the community forward.

Please consider sponsoring a workshop, a lecture series, a community event or a child’s scholarship. We are proud to continue to be **YOUR** Community Visual Arts Center.

Thank you for supporting The Art Guild. We are looking forward to serving you in the years ahead!

Artfully yours,
Lisa Grossman, Executive Director

Scholarships

TAG is proud to offer the Michael Parlapiano Scholarship to allow children of all ages and all economic means to partake in a visual arts education. We thank our generous donors for making this possible. We hope to increase our offerings to the community looking forward to 2023 with additional sponsors.

Workshops and Classes

We are so excited to be hosting almost 30 classes this fall for adults, children and teens. Our Visiting Artist Workshop Series is back in person this fall and we are thrilled to be welcoming artists from all over the country to teach at TAG in 2023.

INSPIRE

EVENTS

Community Outreach

The Art Guild makes art accessible to all. We developed personalized programs for people and organizations with a variety of needs including Nancy Marx Cancer Wellness Center, AHRC, Nicholas Center for Autism, BOCES and more. We worked with the Girl Scouts to design hands on activities to acquire their badges. All of these activities will continue in 2023.

CreARTive

Over 75 children and their families came to The Art Guild at the Elderfields Preserve to enjoy free art activities on a beautiful Summer day in August. A variety of fun activities were available at different instructor led stations throughout the afternoon. This included sculpture, Rangoli nature designs, creating Djembe Drums, plein air acrylic painting, tie-dying, mixed media collage, Gyotaku printmaking, and of course creating buttons.

THANK YOU to all of our volunteers and teachers!

The event was made possible with funds from a New York State Council of the Arts grant, administered by Huntington Arts Council.

High School Senior Award

We are honored to partner with the Kazickas Family Foundation to provide scholarships for graduating high school seniors pursuing the arts. After a rigorous application process our three talented recipients received \$1000 each to further their art education.

ART LOVERS Fling

Our fundraiser was an overwhelming success, thanks to our generous community. Members and supporters had a fabulous time this Fall when we came together to celebrate the Art Guild's Co-Presidents, Shelley Holtzman and Ilene Silberstein. The Village Club of Sands Point was the perfect venue for an art auction, raffles and to dance the night away. Our fundraiser was an overwhelming success, thanks to our generous community and our local elected officials for their continuous support.

Gallery

The gallery hosts some of the best artists on Long Island and beyond. There are 10 exhibits annually with innovative themes. Be sure to attend our festive receptions and meet the artists! See schedule for 2023 on the back page.

GIVE

“The Art Guild is a very special place. I have been a member of many different art organizations and TAG is by far the best space for artists of all kinds. It is well run and offers so many programs for adults and children. Whether you are an established artist or a beginner, there is a class or workshop for you.” — Joan Stevens, Instructor
