Mary Behling

Member Artist of The Art Guild

Mary Behling is a long-time friend, member, and artist at The Art Guild. Mary is a physician who practiced psychiatry in 1982 and returned to her childhood interest in the arts upon retiring in 2017. At that time, she relocated from the Stony Brook area, where she was the Psychiatric Director of Counseling and Psychological Services at Stony Brook University, to North Hills. Mary's business experience included running a private practice and heading the campus psychiatry services at Stony Brook for 27,000 students. She served for 22 years on the Board of Directors of the Heritage Square Condominium Association in East Setauket. In addition to providing services on the SBU campus, she was involved with the training and mentoring of new physicians from the hospital residency program and coordinating with the campus health services. Currently, she rents studio space and is active in many of the day-to-day activities at the Art Guild.
