Marion Stamp

Member Artist of The Art Guild
Secretary of the New York Stock Exchange
Executive Secretary, WPIX

Marion N. Stamp is a long-time friend and member of The Art Guild. She has traveled extensively and lived in Mexico with her husband for several years. Now, Marion is back on Long Island to live closer to her children. Marion has always loved the U.S. and the homelike feeling she gets from living here.

Marion is heavily involved in the Long Island community, where she spends time knitting, playing bridge with friends, and attending classes at The Art Guild. She takes inspiration from the instructors at TAG. One of the instructors she works with is Rob Silverman, with whom she learns new ways to observe details of her surroundings when she is drawing and painting from life. Before taking classes at TAG, Marion would notice things but never really "see" them.

"I am very grateful to my teacher, Rob Silverman because he has gotten me to "see" things such as a certain line, or the way the light creates different

colors in complexion, or the shadows that are warm and cool, and much more - things I noticed, but didn't really "see." In art, you will learn to see. Thanks, Rob!"

"My advice to budding artists is: 'Wear old clothes!'"
